EVERY ROUTE DEPENDS ON RELIABILITY

Every delivery represents
a promise.

- A promise to your customers.
- A promise to your drivers.
- A promise to keep your fleet moving.

When a vehicle is sidelined by an unexpected repair, every hour impacts productivity, schedules, and customer satisfaction.

Morgan Olson Service Parts helps eliminate uncertainty by providing the right replacement parts, knowledgeable support, and dependable service - so your fleet can get back to work with confidence.

**When uptime matters,
confidence matters.**

CONFIDENCE IN EVERY BOX

Supporting Morgan Olson
and many competitive
step van fleets.

Whether you're replacing a body panel, lighting component, weather seal, mirror, door hardware, interior trim, or another fleet replacement part, our team helps you identify the right solution for your application.

CORRECT PARTS
VIN-based lookups and product expertise help ensure the right part for your vehicle.

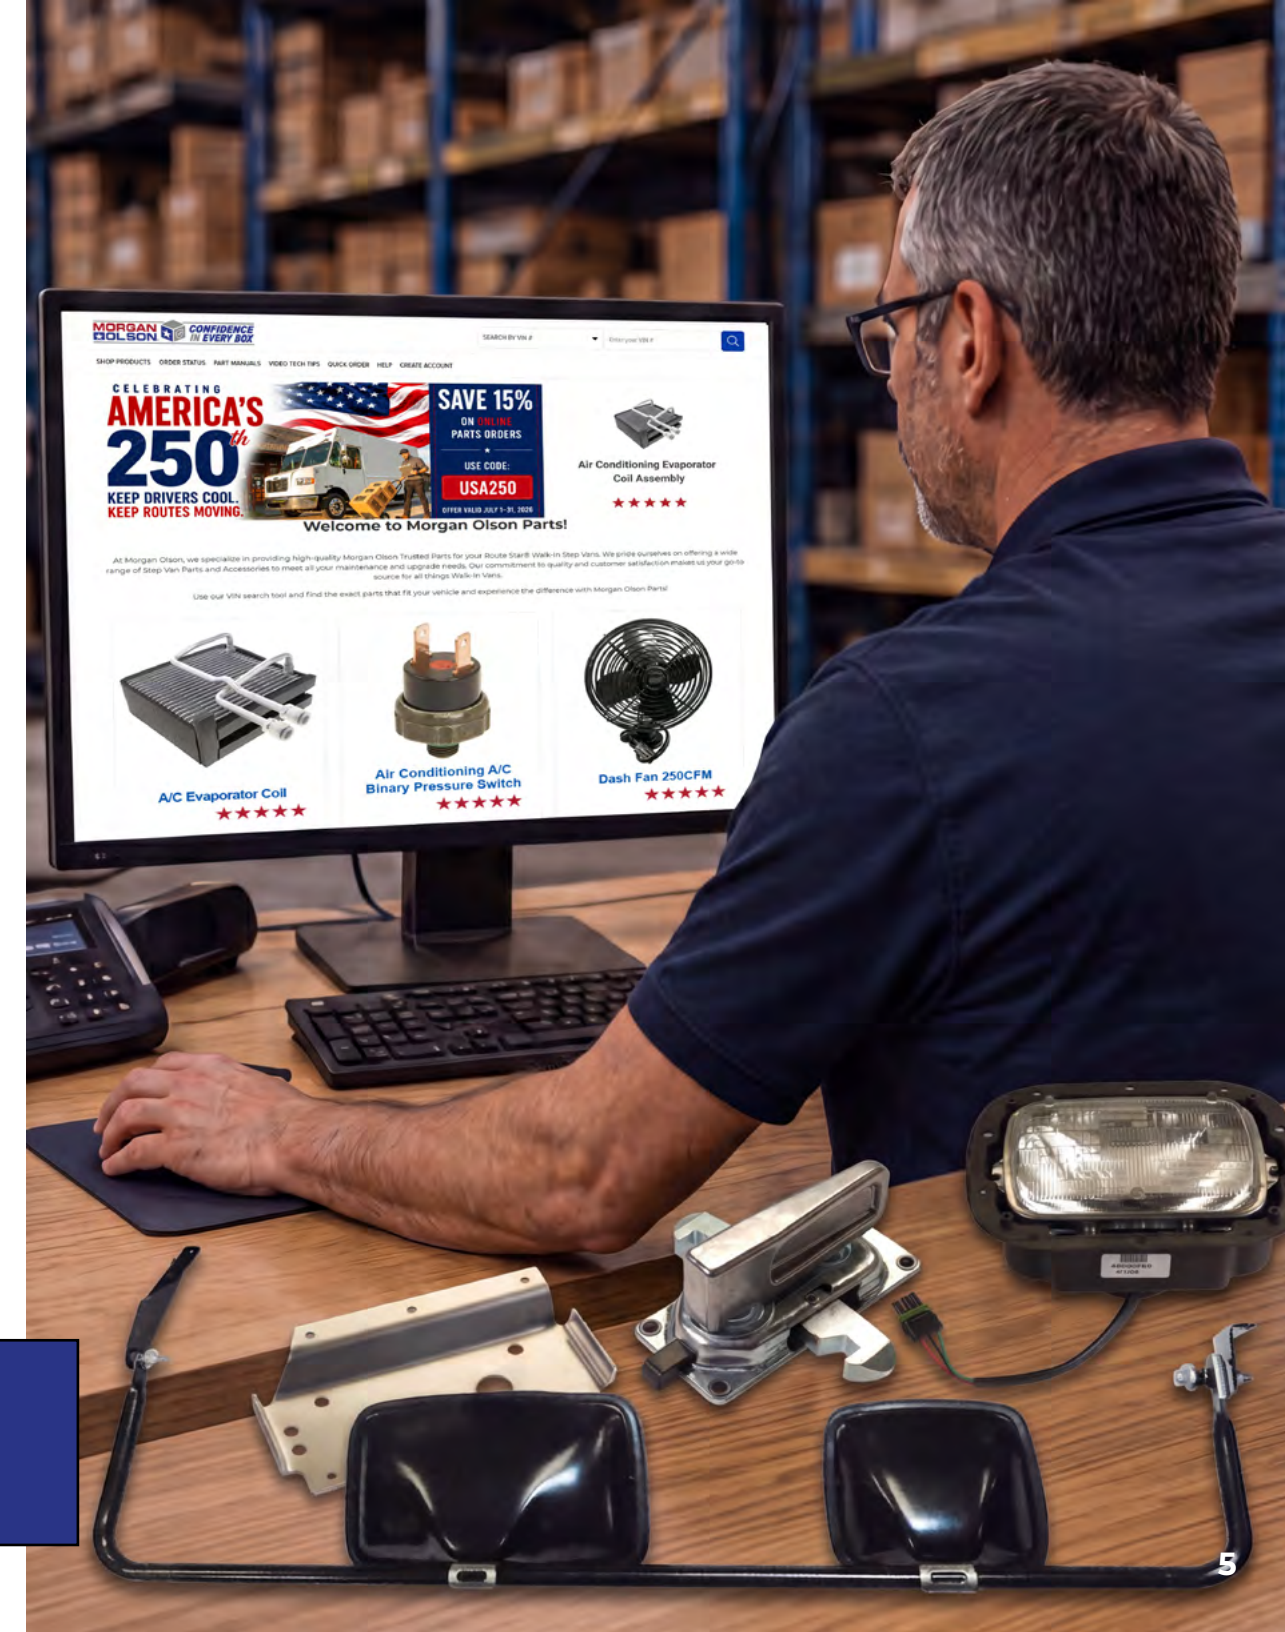

COMPETITIVE PRICING
Factory-direct pricing and fleet volume programs help you manage maintenance costs.

KNOWLEDGEABLE SUPPORT
U.S.-based Customer Care specialists are here to help before, during and after your order.

DID YOU KNOW?
Morgan Olson provides parts support for competitors step van models, too. We understand fleets may have non-Morgan Olson step vans and we're here to help you with all makes and models.

BUILT TO SUPPORT EVERY STEP VAN

COMPATIBLE REPLACEMENT PARTS

When competitive step vans need replacement parts, turn to Morgan Olson to help keep more of your fleet moving. Our product specialists help quickly identify compatible replacement solutions for many step van applications - giving mixed fleets one trusted source to simplify parts sourcing and reduce costly downtime.

COMPATIBLE PARTS

Morgan Olson Step Van

REPLACEMENT GLASS

Get damaged glass replaced quickly with retrofit options that simplify installation, reduce downtime, and return vehicles to service faster.

HOODS

Restore damaged front ends with replacement hoods that deliver the fit and protection needed to complete repairs with confidence.

BUMPERS

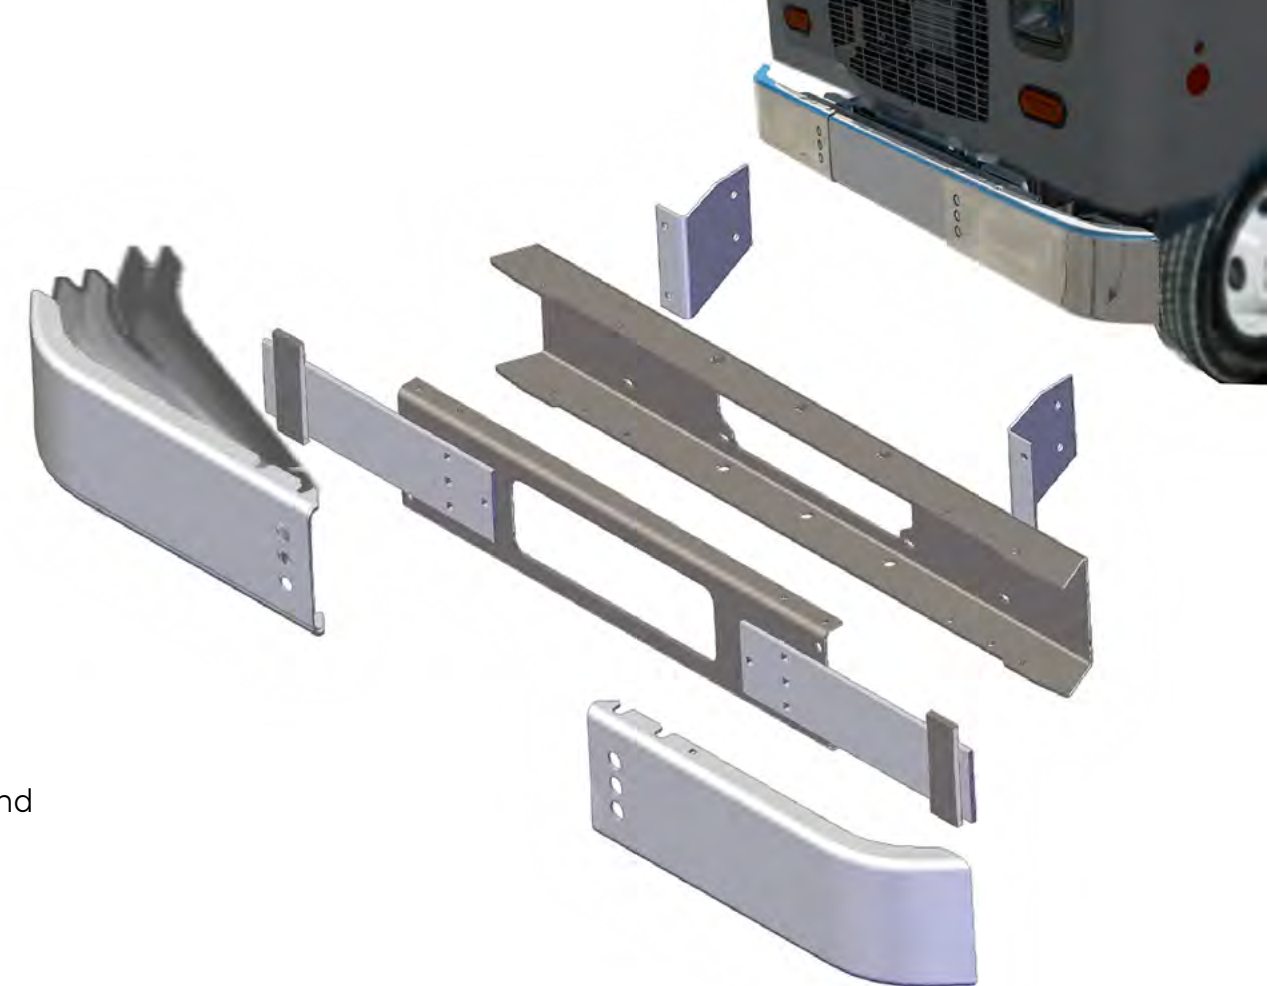

Replace damaged bumpers or explore retrofit kits that bring Morgan Olson impact protection to more of your fleet.

BUILT TO TAKE A HIT

BUMPER SYSTEMS

Morgan Olson bumper systems are engineered to protect your vehicle from the daily demands of commercial delivery—helping reduce repair costs, minimize downtime, and keep your fleet moving.

Whether you need a front bumper, rear bumper, or our patented Spring Back Front Bumper, you'll find factory-engineered solutions built for a precise fit and dependable performance.

FRONT BUMPERS

Protect your investment with factory-engineered performance and dependable front-end protection.

REAR SHOCK BUMPERS

Help protect your vehicle from everyday loading dock and curb impacts while minimizing costly rear-end repairs.

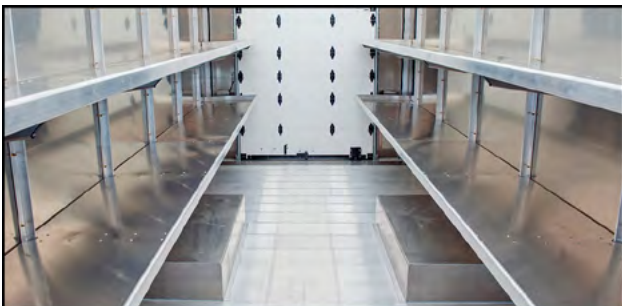

SPRING BACK FRONT BUMPER

Exclusive Morgan Olson technology designed to absorb low-speed impacts, helping reduce damage, repair costs, and vehicle downtime.

BUILT TO WORK

CARGO AREA COMPONENTS

The cargo area takes a beating every day. Our components are designed for strength, durability, and maximum uptime - so you can keep your business moving.

SHELVING (FOLDING & FIXED)

Transform your cargo area into a more productive workspace. Maximize space while improving organization and efficiency.

COMPARTMENTS, RACKS & BINS

Create a cleaner, more organized cargo area. Keep cargo protected, accessible, and ready for every stop.

E-TRACK & CARGO ACCESSORIES

Protect every load with confidence. Prevent cargo movement while improving safety and reducing transit damage.

BUILT FOR THE DRIVER

CAB AREA COMPONENTS

A comfortable, organized, and ergonomic driver area helps reduce fatigue and supports safer, more productive routes. Our components are built for daily use and long-term reliability.

FLEET TIP

Comfortable drivers are more productive drivers. Small upgrades, like an auxiliary dash fan or work table station, can improve the daily driving experience.

SEATS & ACCESSORIES

Keep drivers comfortable throughout the workday. Comfortable, supported drivers are more productive on every route.

DRIVER ESSENTIALS

Create a more productive driver workspace. Keep everyday essentials organized and within easy reach.

CAB COMPONENTS

Restore the appearance and function of your cab. Replace worn components to keep your vehicle looking and performing its best.

BUILT TO FIT RIGHT

BODY COMPONENTS

Repairs are challenging enough.
Choosing the right replacement parts shouldn't be.

Genuine Morgan Olson OEM body components are engineered specifically for your Morgan Olson step van, delivering the precise fit and quality needed to complete repairs with confidence and get your vehicle back on the road.

BUILT TO BE SEEN

LIGHTS & ELECTRICAL

Visibility is a critical safety factor.

Our lighting and electrical components are built to perform in all conditions and keep your vehicle visible, compliant, and operating safely.

FLEET TIP

Headlight & Lighting failures rarely happen on your schedule. Keep commonly replaced lights and electrical components on hand to minimize unexpected downtime.

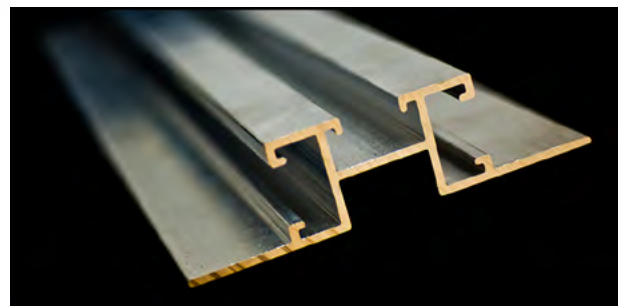

STEP VAN BODY PANELS

Restore factory fit and finish with Genuine OEM body panels designed to protect your investment.

HOOD & STEPWELL

Restore heavily used hood and stepwell components with OEM parts built for lasting performance.

STRUCTURAL SUPPORT

Strength starts from within. Factory structural components help maintain the strength and integrity your vehicle depends on.

EXTERIOR LIGHTING

See and be seen with confidence. Factory lighting helps improve visibility and safety on every route.

INTERIOR LIGHTING

Illuminate your workspace. Improve visibility inside your vehicle for safer, more productive work.

WIRING & SWITCHES

Power dependable performance. Factory electrical components help keep your vehicle operating reliably every day.

BUILT TO PROTECT LIVES

SAFETY ESSENTIALS

Safety starts long before an emergency.

Genuine Morgan Olson safety essentials help prepare your drivers, protect your fleet, and keep every route moving forward with confidence.

DID YOU KNOW

Many fleets we support stock frequently replaced safety components to reduce repair time. Routine inspections help identify worn parts before unplanned downtime.

EMERGENCY ROADSIDE KITS

Prepared for every mile. Equip your fleet with roadside safety essentials that help drivers respond quickly to unexpected situations.

FIRE PROTECTION

Ready when seconds matter. Dependable fire protection equipment helps safeguard drivers, vehicles, and cargo during emergencies.

DRIVER SAFETY EQUIPMENT

Safety starts before every route. Essential driver safety equipment helps prepare your team for safer operations every day.

BUILT TO SEE CLEARLY

REPLACEMENT GLASS

Genuine OEM replacement glass engineered for a precise fit, exceptional visibility, and lasting durability.

Restore visibility, safety, and confidence with factory-engineered replacement windshields, side glass, door glass, and retrofit windshield systems. Our product specialists help you quickly identify the right solution to reduce downtime and keep your fleet moving.

WINDSHIELDS

Restore exceptional visibility with Genuine OEM windshields engineered for a precise fit, optical clarity, and dependable performance.

SIDE GLASS

Replace damaged side glass to restore visibility, protect occupants, and preserve the appearance of your Morgan Olson vehicle.

DOOR GLASS

Genuine OEM door glass helps restore weather protection, improve driver comfort, and maintain the factory fit your fleet expects.

BUILT TO SECURE

DOORS & HARDWARE

Your doors are opened, closed, locked, and latched thousands of times every year.

Genuine Morgan Olson OEM door and hardware components are engineered for smooth operation, dependable security, and long-lasting performance - helping keep drivers productive and your fleet operating with confidence.

Side door and Roll-up door
LUBRICATION MAINTENANCE VIDEO

SLIDING DOORS

Keep every delivery moving. Quality sliding door parts built for smooth, dependable operation.

ROLL-UP DOORS

Count on dependable cargo access. Quality roll-up door parts built for smooth operation and long-lasting durability.

DOOR HARDWARE & LOCKS

Secure every delivery. Quality locks, latches, and hardware help protect cargo while keeping doors operating reliably.

BUILT TO LOAD

RAMPS & LIFTGATES

When it's time to replace your liftgate or ramp,

Morgan Olson makes it easy. We offer replacement solutions from many of the industry's leading manufacturers, backed by knowledgeable product specialists who help you identify the right equipment for your vehicle and application.

LIFTGATES

Replace slow, leaking, or unreliable liftgates before they fail to help reduce downtime, improve safety, and keep deliveries moving.

RAMPS

Replace bent or damaged ramps to improve loading efficiency, reduce operator strain, and keep every delivery moving safely.

FLEET TIP

Every stop depends on reliable cargo access.

Replacing worn ramps and liftgates before they become a problem helps reduce unplanned downtime, improve operator safety, and keep your vehicles delivering with confidence.

BUILT FOR VERSATILITY

P31 RURAL STAR PARTS

Keep your P31 Rural Star performing at its best-

with Genuine OEM replacement parts engineered for a precise fit and dependable performance. From body components and cargo area parts to lighting and electrical systems, Morgan Olson helps reduce downtime and keep your work truck on the job.

BUILT TO ORGANIZE

CARGO VAN SHELVEING

Transform your cargo van into a more productive mobile workspace.

Whether you're upfitting a single service vehicle or an entire fleet, Morgan Olson cargo van shelving systems help maximize storage, improve organization, and keep tools and equipment securely within reach, helping technicians spend less time searching and more time serving customers.

BOX BODY COMPONENTS

Maintain the durability and appearance of your P31 with factory replacement body panels, doors, hardware, and structural components.

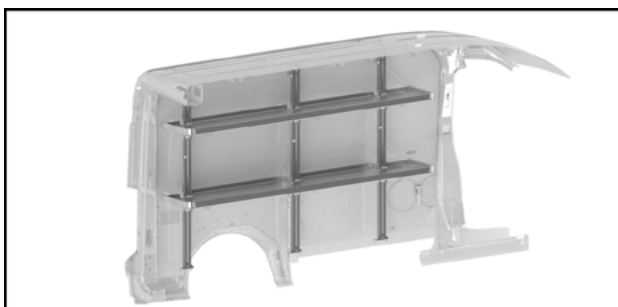

INTERIOR & CARGO

Restore your cargo area with replacement shelving, flooring, hardware, and interior components that keep your vehicle productive.

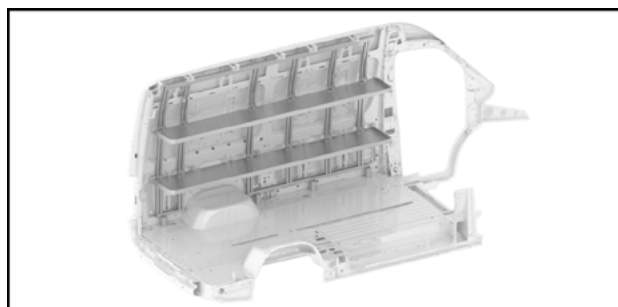

LIGHTING & ELECTRICAL

Keep your P31 Rural Star visible and compliant with replacement lighting and electrical components for dependable performance.

FORD TRANSIT SHELVEING

Maximize cargo space with organized shelving solutions for greater efficiency. Keep tools and supplies secure and within easy reach.

SPRINTER SHELVEING

Transform your cargo area into an organized mobile workspace. Keep tools, equipment, and supplies protected and ready for the next job.

DID YOU KNOW?

Morgan Olson supports more than step van parts.

Our cargo van shelving systems are designed with the same attention to quality, durability, and long-term performance that customers have come to expect from Morgan Olson.

Built to the Highest Quality Standards.

THE POWER OF VIN LOOKUP

The right part. The first time. Every time.

www.MorganOlsonParts.com
(800) 233-4823

Confidence in Every Box begins with the right replacement part. Providing your VIN helps identify the correct part before your order ships.

- 1 ENTER VIN**
Search by your vehicle's VIN# located in the cab of your step van.
- 2 EXACT PARTS**
Morgan Olson's Web-store shows only parts that fit your vehicle.
- 3 FAST SHIPPING**
See our inventory with in-stock parts orders ship quickly.
- 4 BACK ON THE ROAD**
Less downtime. More uptime.

Where's my VIN#?
Scan this QR code
to locate your VIN#

DID YOU KNOW?

Even identical-looking step vans can have different factory-installed components. Always reference the VIN before ordering replacement parts.

FLEET PRICING THAT REWARDS LOYALTY

Competitive Pricing. Built for Every Fleet.

Whether you operate **five** trucks or **five thousand**, Morgan Olson Service Parts offers competitive pricing programs designed to help reduce operating costs and maximize fleet uptime.

Unlike many suppliers, Morgan Olson's Fleet Discount Program has no annual purchase commitments or minimum buying requirements. If your fleet qualifies, you receive competitive pricing from your very first order - making it easier to budget, plan repairs, and keep your vehicles delivering.

Fleet Program Benefits

- No annual purchase minimums
- No volume commitments
- Competitive fleet pricing
- Factory-direct ordering
- Fast nationwide shipping
- U.S.-based Parts Specialists

(800) 233-4823

FLEET TIP

Open your Morgan Olson Service Parts account before you need it. When unexpected repairs happen, you'll be ready to order quickly, access your qualified pricing, and get back on the road faster.

FREQUENTLY ASKED QUESTIONS AND ANSWERS

Find the answers your need to order parts with confidence.

Why isn't my VIN showing up in the VIN search tool?

The VIN search tool includes vehicles manufactured from 2006 to the present. If your vehicle is older, or possibly a different body manufacturer, the Morgan Olson Parts Call Center can assist you - call 800-233-4823 to assist you with the parts you need.

What happens if the part I need is "Built to Order" or "backordered"?

Once your order is placed, our manufacturing team gets to work producing your part specifically for your vehicle. Because size, quantity, and complexity can vary, production times may vary as well. Your order will be processed as quickly as possible to get the parts you need on their way - we share a common goal to deliver your parts to you as quickly as possible.

Can I have my parts shipped to another address?

Absolutely. Sign in and go to My Account > Dashboard > Ship To's to add or manage shipping locations. Once saved, simply select the appropriate address during checkout.

What does "Best Method" mean for shipping?

Choose "Best Method" and we'll do the comparison for you. Once your order is packaged, our team reviews available carrier rates and selects the most cost-effective shipping option. Prefer a specific carrier? You can make that selection during checkout.

Can I ship my order using my company's carrier account?

Yes. Enter your preferred carrier and account number in the "Comments" box during checkout, and we'll apply that information when your order ships.

Where can I find tracking information for my order?

Once your order ships, you can quickly access tracking information online.
Account customers: *Sign in and go to My Account > Shopping History. Select your order to view the details and tracking number.*
Guest checkout: *Select Order Status from the home page. Enter your order number and one verification detail - Billing Name, Email, or ZIP Code—then select **Check Order Status**.*

How can I add, remove, or edit a user on my account?

Sign in to the website and go to My Account > Dashboard. Select Contacts to view available contacts. Use the three dots and select + Add Contact to add a user. To edit an existing user, select the pencil icon and update the information as needed.

Where can I find chassis parts such as brake pads, rotors, shocks and more?

Morgan Olson does not sell chassis parts at this time. Please visit the Chassis Parts page on the Morgan Olson Parts website for information on where to locate parts for your chassis for your specific make and model year.

Looking for an answer not listed here?

*Call Morgan Olson Service Parts at **800-233-4823**. Our Parts Specialists are ready to answer your questions and help you find the right solution.*
